9. Govt. Memo. No. 1843/E1/2009, dt.31-8-2009.
10. CMO Note No. 2274/CMP/2010, dt. 8-3-2010, along with a representation from the Chairman, G.Pulla Reddy, Dental College & Hospital, dated –January, 2010.

ORDER:-

In the G.O. 6th read above, orders were issued permitting to M/s G.Pulla Reddy Charities Trust, Kurnool for clinical attachment of their Dental College with Kurnool Medical College & Government General Hospital, Kurnool, for teaching and training of their students for a period of two years w.e.f. 22.4.2007 with condition that they should construct their own 100 bedded General Hospital within a period of two years and no further affiliation will be granted afterwards and subject to the terms and conditions stipulated in the G.Os 1st to 3rd read above.

2. In the reference 7th read above, the Chairman, G.Pulla Reddy Dental College & Hospital, Kurnool has stated that their college was established at Kurnool from the academic year 2006-07 with the prior permission from the State Government and the Central Government. Now the first batch is in the final year (4th year) of BDS and 3 other batches also running. The establishment and maintenance of 100 bedded hospital is not viable for the private dental college management and permitted to get clinical attachment with the Government Hospitals/Teaching Hospitals for clinical facilities for training of their BDS course students. Moreover, the Central Government had permitted only 50 admissions in take every year, it is not at all viable to have their own 100 bedded Hospital at this stage. The intake of admissions of institution is (50) only, the funds which they are receiving in the form of fee is not at all sufficient even to meet the expenditure on staff salary payment, procurement of equipment etc. which are too expensive and they are running Dental College by taking loans from their sister organization i.e., from Engineering Colleges. Hence, even to start construction of own 100 bedded hospitals in this situation may not be possible. He has therefore requested to extend the clinical attachment period of their Dental College for 4 more years keeping in view of the career of the students.

P.T.O.

3. In the reference 9th read above, instructions were issued to the Director of Medical Education that there is no justification in the request of the Chairman, G.Pulla Reddy Dental College for further extension of time for clinical attachment.
4. Further the Chairman, G.Pulla Reddy Dental College and Hospital, Kurnool has represented to reconsider their request, vide reference 10th read above.
5. After careful re-examination of the matter, in partial modification of the orders issued in the reference 9th read above, Government hereby permit M/s G. Pulla Reddy Charitable Trust for clinical attachment of their Dental College with Kurnool Medical College & Government General Hospital, Kurnool for teaching and training of their students for a further period of 4 years from 22-4-2009, subject to the terms and conditions stipulated in the G.Os 1st to 3rd read above and also subject to upward revision of clinical attachment fees and conditions under consideration of the Government.
6. The Director of Medical Education, Hyderabad/ Principal, Kurnool Medical College, Kurnool and Superintendent Government General Hospital, Kurnool shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
